📍 No 68B, Bayosholowo Street, Ogudu.

SUMMARY

I'm a versatile and detail-oriented graduate of Geology with practical experience spanning warehouse inventory operations, education, healthcare support, and field-based geological research.

I have worked handling inventory management within a fast-paced warehouse environment, with hands-on experience in stock control, logistics coordination, and accurate record keeping.

I demonstrates strong analytical ability, adaptability, and a solid understanding of operational workflows across different sectors. Well known for reliability, teamwork, and a strong work ethic, with the flexibility to perform effectively in administrative, technical, logistics, or support roles.

SKILLS

Core

- Microsoft Excel (Pivot Tables, VLOOKUP, reporting)

Soft

- Attention to detail
- Communication
- Problem-solving
- Team collaboration
- Time management
- Adaptability

PROFESSIONAL EXPERIENCE

Inventory Officer

Bukka Hut

2025
Ogudu Lagos

- Managed daily incoming and outgoing stock records for over **3,000+ inventory items weekly**, ensuring **98–100% accuracy** in inventory tracking using **Microsoft Excel and Orda Africa inventory management system**.
- Conducted routine stock counts and cycle audits, reducing inventory discrepancies by **up to 55–60%** through timely reconciliation and error correction.

- Monitored warehouse storage conditions and maintained systematic organization of goods, improving **stock retrieval efficiency and reducing processing delays**.
- Supported receiving, labeling, tagging, and dispatch operations for incoming and outgoing goods, ensuring **100% compliance with warehouse procedures and timelines**.
- Updated and maintained digital inventory records using **Excel spreadsheets and Orda Africa platform**, ensuring real-time visibility of stock levels and movements.
- Coordinated with **logistics, procurement, audit, and accounts teams** to ensure accurate reconciliation of stock records, financial alignment, and smooth supply chain operations.

Classroom Teacher (NYSC)

National Youth Service Corps (NYSC)

2025
Nkerefi, Enugu

- Taught assigned secondary school subjects in line with the approved curriculum, ensuring clarity and student engagement.
- Prepared lesson notes, teaching aids, and assessment materials to support effective learning.
- Managed classroom activities, maintained discipline, and encouraged positive student behavior.
- Assessed students through tests and assignments, providing constructive feedback to support academic improvement.
- Participated in school administrative duties and extracurricular activities as assigned.

Assistant, Hospital Medical Services

Otobo Hospital

2017
Efoyo Benue

- Assisted medical professionals with routine hospital duties, supporting smooth day-to-day clinical operations.
- Helped in preparing patients for basic medical procedures and ensured a clean, safe, and organized clinical environment.
- Maintained professionalism and confidentiality when handling patient information.
- Supported record-keeping activities and basic administrative tasks within the hospital.
- Developed strong interpersonal skills through regular interaction with patients, caregivers, and healthcare staff.
